

10-03-2020 Presentation Remarks

- The text in the bottom bar in all the slides of the presentation is too long to fit on the screen.
- On slide 19, the first three data points on the Peng data graph need to be removed.
- It would be useful to make the text on slides 16, 17, 20 and 24 more concise/compact.
- On slide 23, the $c_{\infty}(0)$ term in our expression for $c_{\infty}(t)$, needs to be replaced by c_{sat} .
- The video on slide 25 needs to be sped up.
- The text on graphs for slides 29, 31 and 32 needs to be increased as it is currently not readable.
- The video on slide 25 needs to be replaced.
- There is a spelling mistake in the graph on slide 30.
- Current presentation time: 23:50 minutes.
 - Lewis – 5:36 minutes.
 - Peifeng – 3:36 minutes.
 - Shyam – 5:57 minutes.
 - William – 08:39 minutes.
- It would be useful for everyone to go through their respective slides and make some bullet points (or notes) on the key points that they need to articulate.
- We have a meeting scheduled for 6pm on Wednesday, in which we will have a practice run through of our presentation.
